Precious Stone Tribute Wall :: A Lasting Website Tribute

Often, associate members want to pay tribute to those who battle breast cancer. Precious stones can be purchased and placed on our website tribute wall with or without a picture. Recipient's name and a written statement, such as verses, encouraging words and dedications, appears when the pink stone is 'opened'. All tributes remain as stones in the wall. Our goal is to "build" a solid stone hedge over time. Go to the wall at <http://sisters4cure.com/preciousStone.html>
